National Wrestling Hall of Fame

The National Wrestling Hall of Fame & Museum held its annual induction ceremony on May 31st with former Bloomsburg University great Ricky Bonomo '92 one of the four inductees for 2008.

Bonomo was the greatest wrestler in the history of Bloomsburg University. For three straight years 1985-87, Bonomo won all of the major events on the schedule, capturing the NCAA Div. I title, along with the Eastern Wrestling League EWL title and the Pennsylvania State Athletic Conference PSAC title at 118 pounds. He was named the EWL and PSAC Wrestler of the Year all three of those seasons. Ricky's career record was a stellar 116-12-3. Ricky and his brother Rocky were the first twins to win Pennsylvania state titles side-by-side in 36 years when they won Class AA titles for Lake Lehman High in 1981, wrestling for the legendary Floyd "Shorty" Hitchcock. Rocky was also an All-American for Bloomsburg, making the Bonomo brothers the most feared lightweight tandem in college wrestling at the time.

Joining Bonomo in the 2008 inductee class were Mike Houck of Victoria, Minn.; Wayne Martin of Tulsa, Okla. deceased and Bobby Weaver of Easton, Pa.

Eastern Wrestling League

Since the Eastern Wrestling League was formed in 1976, Bloomsburg has enjoyed much success, both as a team, and individually. The Huskies won the team championship in 1981 and 1993 and has never placed lower than sixth. Individually, Bloomsburg wrestlers have compiled 34 titles.

In addition to Bloomsburg, the league includes Clarion, Cleveland State, Edinboro, Lock Haven, Pittsburgh and West Virginia.

Bloomsburg wrestlers hold three of the four fastest EWL tournament fall times. Heavyweight Mel Sharp holds the record with an 18-second pin in 1979, while Al McCollum, a 1982 title-winner, recorded a 36-second fall in 1981. In 1977, Leszek Radon pinned an opponent in 39 seconds.

EWL Championship History

At the 32nd Eastern Wrestling League Championship tournament, Edinboro University won its ninth team title in the last 10 years, crowning three individual placewinners.

Nelson Field House

The Nelson Field House, located on Bloomsburg University's upper campus, serves as home for most of the university's indoor athletic events. The facility, constructed in 1971, is currently undergoing a \$13.4 million dollar facelift. Among the renovations to the field house will be a new bleacher system for the main gym area, a new scoreboard, a new wrestling room on the lower level of the facility, a new and expanded press box, dedicated locker rooms for each sport, including an expanded football locker room, improved office space and additional storage space. In addition the pool area has been completely renovated with improved lighting, new bleachers, new starting blocks, improved timing system and record board. The project also provides for enhancements to both the upper and lower entrances that will showcase the awards the teams have won over the last three decades. The project is scheduled to be fully completed in August 2009.
